Three-Day Horse Show at Newport

(Special Correspondence of The Tribune)

NEWPORT, R. I., Aug. 18.—While the Newport Horse Show is coming along the last three days of the month with every promise that it will be well up to the usual standard, still there are a number of voids in the outdoor programme in Newport this summer.

Chief among them is the tennis tournament at the Casino. It was just about this time of the month in years gone by that everybody in the summer colony was getting ready for the national singles or the invitation tournament after the singles event was taken away from the Casino courts and transferred to Forest Hills.

This year there is not to be even an invitation tournament, and the only use that the famous grass courts in the Casino grounds are being put to is for informal playing by members of the summer colony each morning.

There is to be no dog show this year and neither are there to be, as far as has been heard, any polo matches at the Westchester polo field. The field, however, and its clubhouse are being put to good use, the house being used as a tearoom for the benefit of Newport
